THE IMPORTANCE OF THE BUCKEYE COUNTRY Is attracting the attention of capitalists. The Sunset Telephone Company is now engaged in extending its line from phoenix into that fertile region. A railroad will come next. THE BUCKEYE COUNTRY Offers three paramount essentials for successful ranching, viz: 1. Pertile tand theap. 2. Bountful and inexhaustible water supply. 3. Ready market for products. Alfalfa land with perpetual water right deeded with it \$15.00 per acre. FOR FULL PARTICULARS GAIL ON OR ANDRESS BUCKEYE CANAL AND LAND CO. COULDN'T BE KEPT BACK.

Landon Bates of Chicago was twenty-two years ago compelled through lack of funds so discontinue his cours at the Sheffield scientific school, and entered a railroad office as a clerk. Then he went into the building of railroads, and in 1893, having secured the contract to build two miles of the Chicago drainage canal, he constructed a hydraulic dredge which attracted the attention of engineers. Next he built a dredge for the United States government to be used in the Mississippl river, which cut more than four times the amount of earth called for. Now the Violga river is being dredged by his machines, and under his supervision an outlet is being made thereby for the

German Syrup is the special prescription of Dr. A. Boschee, a celebrated German physician, and is acknowledged to be one of the most fortunate discoveries in Medicine. It quickly cures Coughs, Colds and all Lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction every case, which its rapidly increasing sale every season confirms. million bottles sold annually.
